

Now Serving **TULIPS!**

It's Tulip Time
ALL the TIME!

Serve Sun Valley Tulips in your floral program year-round – summer, winter, spring and fall!

Vibrant Colors ▪ Generous Bloom Size ▪ Luscious Green Foliage ▪ Strong Stems ▪ Long Vase Life

SOIL GROWN: Sun Valley Tulips are grown just as Mother Nature intended: in SOIL, after going through a nice, cold “winter”. Our large soil-grown bulbs of 12+ cm produce a sturdy plant with larger buds, darker foliage and a superior vase life. Study after study confirms that the quality of soil grown Tulips surpasses water grown Tulips!

SIZE: Our grading standard is a sizable 14”+ length.

WEIGHT: Sun Valley Tulips weigh 45 grams average (more than double the average of others). Their impressive weight reflects the bloom size, strong stems and overall healthy hydration.

VARIETIES:
STANDARD TULIPS Sun Valley has great access to newer and premier varieties of standard tulips. We offer over 45+ varieties in the Fall, 50+ in the Spring and 20+ in the Summer.
NOVELTY TULIPS We have an abundant array of sought-after Parrot and Fringed varieties year-round.

FALL:
SEPTEMBER – CHRISTMAS
SHHH! Don't tell the Tulips it is Fall! Our Fall Tulip bulbs come from the Southern Hemisphere where the seasons are opposite ours... we grow them during the Fall, when they think it is “spring”. By partnering with these bulb growers

we are able to provide you with exclusive varieties in wonderful fall colors and in plentiful supply.

SPRING:
JANUARY – MAY
During the Spring, we are thrilled to offer a broad selection of the finest and favored premium Tulips as well as many newer varieties.

SUMMER:
MAY– AUGUST
We have invested in an extensive pre-harvest care system in order to trick the bulbs into thinking it has been a long winter — extending the Tulip season into the summertime. We have carefully selected

vigorous varieties you will love for the summer season.

BUNCHES: Standard bunch size: 10 stems. Also available as Consumer Bunches and as Enhanced Bunches with greens. Let's be creative!

ADDITIONAL OPTIONS:
■ Tulips-on-the-Bulb
■ Mixed-Tulip-Bunch with multiple colors in a bunch

HARVEST: Sun Valley Tulips receive proprietary post harvest treatment resulting in consistently high quality.
